

A large, bold red triangle with a thick border, pointing upwards. Inside the triangle, the text "OVERFLOW CAMP PARK" is written in a bold, red, sans-serif font. The word "OVERFLOW" is on the top line, and "CAMP PARK" is on the bottom line. The text is centered horizontally within the triangle.

OVERFLOW
CAMP PARK

Overflow Camp Park

You will **NOT** have the ability to access the campgrounds prior to parking. After parking, you will need to load your gear into the shuttle bus and be dropped off at the campgrounds.

If arriving on US-29 North:

Since the crossover at Rt. 863 R & L Smith will be closed, you will need to continue 2 miles north to a dedicated U-turn at Stone Mountain Rd.

After making the U-turn, continue south to a right turn on Rt. 863 (R & L Smith Rd.) and a left into Red Lot 1 parking area.

NO TRAILERS OR OVERSIZED VEHICLES CAN SAFELY MAKE A U-TURN HERE AND THEY WILL NEED TO CONTINUE NORTH TO DRY FORK RD.

If arriving on US-29 South:

Make a right turn on Rt. 863 (R & L Smith Rd.) and a left into Red Lot 1 parking area.

If arriving from West Rt. 41 (Franklin Turnpike):

On Rt. 863 (R & L Smith Rd), you can make a right onto Red Lot 1 parking area.

Please print page #1 ***in color*** and put it on your dashboard so local PD and festival staff can easily identify where you need to go.

This pass is only for directional purposes, and you will still need your camping wristband for admittance to the campgrounds.

**Physical Address:
405 R & L Smith Rd.
Danville, VA 24540**
